Brown 162-1 - Stanz 81164

16-3/8 x 24-3/8 Pan Liner

This 25# Basis Weight Quilon Coated Pan Liner.

This Pan Liner's function is to line baking pans for use before washing. It has a 25# basis, grease resistant grade with a Quilon coating for easy release. As a rule, it is intended for lower temperature, shorter duration bakes, and only used for one to three bake offs. It is the lowest priced and most popular pan liner grade in the U.S.
